### REVIEW QUOTES:

“I never really thought of many of these questions but I have always felt a sort of disconnect from life and my own love, sort of like I wasn't really worthy. This is a ridiculous notion, I always knew this deep down but Am I loved? is helping me realise otherwise by questioning my inner fears, forcing me to face them in a way I never knew I needed to.”

“Am I Loved? has given me a new perspective of life and love as I knew it.”

We just need to learn to recognise what's in front of us: we are worthy and we deserve it.

I don't know about you but I'm ready to feel loved and fully understand the feeling of being alive.
